SERVICE DOG POLICY

THE ONLY ANIMAL ALLOWED IN OUR FACILITY IS A TRAINED SERVICE ANIMAL.

Please see Michigan's definition of a **TRAINED SERVICE ANIMAL** below:

Neither the ADA nor Michigan's service animal law includes what are often referred to as "emotional support animals": animals that provide a sense of safety, companionship, and comfort to those with psychiatric or emotional disabilities or conditions. Although these animals often have therapeutic benefits, they are not individually trained to perform specific tasks for their handlers. Under the ADA and Michigan law, owners of public accommodations are not required to allow emotional support animals, only service animals. These laws also don't apply to pets.
